“ Rachel, I was a Teacher's Aide at Wilbur Wright and I remember you in Mrs. Pender's class in 3rd grade. You were such a sweet, sweet child and you worked so hard. I remember your brother Cecil and I was so sorry when I read about his passing. I am also sorry that he had to deal with ALS. He was so young and I know losing him came much too soon. I'm sorry I did not know about this earlier but I want you to know you and your family will be in my thoughts. Sincerely, Mrs. Bond

“ Sending prayers to the Elliott family as they deal with their loss. I will always cherish the childhood memories I had with Cecil and the rest of the family. May he feel relief as he walks among the heavens.

“ We shared 24 years! some real good times and some real bad ones. but i loved you till the end. we had 3 beautiful kids and shared 3 more with others. you were my best friend and my worst enemy! you were the one i told all my secrets to. we spent more years together than we did apart. our whole adult lives almost! i miss you! i will raise our girls in a way that would make you proud. i will never let them forget you!! i know you waited on me and i will hold on to that forever!! i feel you around me! i hear you in the house. i feel your eyes on me and i hope your happy and at peace. we left so much unsaid. i have regrets that i will live with forever. but i did what i thought was best for our family.... if i made the wrong choice i'm sorry. just know that we all loved you and now miss you. you will live forever in my heart. watch over our kids and me. keep us safe untill we meet again. my love is with you always and forever!!
