“ Ron, I just wanted to say how sorry I am about your mother. You have lost so many family members lately. I hated to hear about your brother, Steve. He was always so funny and nice. You have been in my thoughts and prayers often and continue to be so. Take care of yourself.

“ Donna was a good friend. She and I spent time together at church and outside of church, before my husband and I moved to Fort Wayne in April 2018. We enjoyed coffee together at Jack's Doughnuts, visiting at her home, and sitting together at church during coffee hour. Let's not forget the time that we put on coffee hour together at church. That was fun! I even helped with her garage sale, which was also fun! She will be missed by her many loved ones! I know that her suffering is over and that I will see her again one day. Miss her already. See you in heaven, Donna! Save a seat for me, like you always did during coffee hour. Love you, Donna.
