“ I sold Jerry supplies and equipment for Community Printing for nearly 30 years. During my early years in sales when I was greener than grass, Jerry was one of the few people who had the patience accept my inexperience, but knew how to challenge me so I could become better at what I did. Later, it became a joy to stop at Community to tell him what the latest thing was in the printing biz, share a joke and a laugh, and help each other become successful. It was a pleasure to have known him. I will miss him.
