“ I remember being a teenager and going to spend the night with Diana. Shirley always made me feel welcome. I remember she always had a glass of tea in her hand and a small dog by her side. I ran into her last summer at a garage sale and she seemed the same as she always was. I know she is now in a better place. I also know that she was very loved and will be sadly missed. I send you all my love and please know that I understand the pain and greiving you are all going through. I lost my Mom, my Dad and my Grandmother all in 2007. I know its something we all have to go through but that doesn't make it any easier. I pray for God to give you all the strength you need to deal with this. Shirley I will never forget you..... Love Janet
