“ Mom as you know we weren't the closest mom and daughter for the biggest part of your Life. But after you got sick you were a mom I could love and I looked forward to seeing ever day. Our days at west minister I will always cherish. All the girls that took care of you absolutely loved you unconditional. This is something you never even had from any of your kids. Wish I had more time to be with you. But this wasn't gods plan. Rest in peace mom. I never once stopped loving you.
