“ I still see this little girl sitting on my lap, running around your grandma's house, you turned into such a beautiful young woman, and then became a great mother full of love and joy. We are really grateful to have had you in our lives. Now you're with your heavenly father. Always in our hearts.

“ I can't even find words...I pray all the happy times and smiles and love Amber shared with all of you are able to stay close to your hearts and help you during the darker parts of mourning the loss of such a bright soul, and I pray God grants all of her loved ones peace and understanding, helping them know her short time on earth she was able to touch so many lives and made positive impacts that won't be forgotten. I am so sorry for your family's loss, I hope you all can find comfort in the times you had and that she was able to have a little time with her boy before God called her home. She will be missed.

“ Rest In Peace Amber, so many memories to you always having a smile on your face to, the time when I lived with you an your mom. The apartment manger came in to fix something. They didn't know I was there and I wasn't suppose to be there. So I hid in your closet in your room till you got home from school. That memory will stay with me forever. You will truly be missed an it was so nice catching up awhile back. Rest In Peace friend!
