“ *Andrew was a great guy. He was smart, funny and loving. He had a huge group of friends, all whom cherished him dearly. I met Andrew 12 years ago, when we started SPAN together. Andrew was always there when we needed him and held me together through a particularly hard summer. When he graduated IUPUI in 2008, I, along with all the other SPAN kids in our group, were extremely proud of him.*

I hope he can now see his greatness and is no longer dealing with the burdens he decided he couldn't deal with. RIP Andrew, we all love you.
