“Wow! To have lived 101 full years, surrounded by family and loved ones throughout her life. What a blessing for my Aunt Angie and her family! Wish I could have known her more in my adult years, but I have fond memories from childhood. I bet my parents, Anita Grimaldi Sumner and Max Sumner were among those who greeted her in Heaven. Love to Mike, Martha and all of our other Grimaldi relatives. Janet Sumner Flewelling

“When we were kids [the Sumner girls], our parents always wanted us to sit still and be quiet whenever we visited relatives. But I always remember going to Aunt Sunny's house, and Aunt Angie and her family would be there, along with other Grimaldi family too. I loved watching how expressive, loving, and animated both Aunt Sunny and Aunt Angie were towards their family, and towards us too. Even though we could only look on, and not always participate with them, I knew they loved us. And now Aunt Angie is in Heaven with Uncle Bob, happy and healthy and together with God!

“ Dear Martha and Mike,  
Since I don't know your addresses I will express my sympathy to you in this message. I am so sorry for the loss of your mother. She was a most beautiful person with so many wonderful qualities. She enriched my life through her presence, her love, her laughter, her love for life and positive attitude, her gentleness and so much more. I loved all my visits with her but will cherish and remember her opening her eyes in the hospital, smiling and saying "happy birthday." Thank you for sharing your mother with me! She talked about both of you so often.

Yes, as Angie, said, she is now in her "real" home but know that she looks upon you with deep love and will now intercede for you from heaven! I am saddened that I cannot be with you for her service but I will surely be there in spirit. You are in my prayers.

Peace and Love,
