“ I was so Blessed for her to be the person to teach me so many things about life as a young adult! Her patience, willingness to teach, her passion to serve our customers, how to be a loyal, dependable, and driven employee, and to keep on smiling no matter the situation are some of the many great characteristics I learned. I'm a better person because she was in my life. The world is a better place because of the lives she has touched. May we all strive to be that kind of person! I will always cherish the fond memories I hold dear to my heart. Peace and comfort to the whole family.

“ I will always remember Aunt Anita as a kind and gentle person who enriched my childhood with her beautiful voice, smile and sense of humor. She made my Uncle Jim's life happy, and for that all the family loved her- but she was an easy person to love. The world has lost a sweet soul.
