“ We have many fond memories of Ann-----the years we played bridge together, and other social functions. Ann's homes were always beautifully decorated, inviting, and she always served good food. Her yards were always filled with pretty flowers.

She had an infectious smile, and laughed at all of our bad jokes.

Ann will be missed by many, and remembered by all.

“ *The Lord took an Angel home! Ann, I will miss you and will always carry you in my heart. I cherished the talks we had and what you said to me that a friend is the one who you can talk to when no one is around. A friend is the one who you can love when everyone else has let you down. I will miss the talks we had and your beautiful smile and you singing the alphabet song to me. I will always love you Dear Ann and will see you when I get to heaven.*
