“ I walk into Glen Oaks and expect to see my beautiful, blue eyed friend, Ann. She and I had a special connection with our love of music. Such a sweet, soft spoken lady. I think of her and how wonderful you both were to care so lovingly for her. It is comforting to know that as I generally asked "how are you, Ann" and she softly responded "oh, not so good", now I know that she is perfectly fine in her beautiful heavenly home. "Oh, How I Love Jesus"...and Ann.
