“ *“Grandma” Annie was our children’s adopted Grandma. Nathan would go with her shopping and would get heavy items (like dog food) into her cart, out to her car, and into her home. She always paid him with pinwheel cookies and a big hug! Every time we would visit we would see our pictures on the fridge even years after we moved away. Grandma Annie had a large heart and welcomed us with open arms. She will be missed!! Much love to her real family. Thank you for sharing her with us! The Crowther family*
