“ *My grandmother was a wonderful, thoughtful, strong and independent woman. My fondest memory of her will always be when she helped me set up her electric typewriter to write stories and poems. When she spoke of her parish and the responsibilities she'd taken on, she was always so proud that you couldn't help but be proud for and of her. She will be missed but I know she has gone to be with the love of her life. Be at peace Grandma, be with Grandpa and pass him our love.*
