“ Gina was Momma II. She was blunt and to the point, but I knew she loved me. She would message me and keep me informed on the goings on. We would laugh and argue, but in the end there was always love!

Geni and I were friends in high school at FPC in Frankfort Indiana. She was a lot of fun to be with. I saw her again later in life after my children were born. It was great to connect and remember how it was years before. I had not seen or heard from her for years. Sending sympathy to her family.

“ Gina was a special one. She had the BEST stories, could always make you laugh, she was so witty and loved fiercely. She is missed already. I'll never forget her..and her love of chili and her family. Praying for you all in this difficult time, but also rejoicing as we know she is lighting Heaven up now!
