“ *So many beautiful memories! While working at HH, she showed so much love to all the residents there. She took such awesome care of my hubby. He was cold so much, so she would throw a blanket in the dryer to warm it up good, then wrap it around him...from the top of his head down to make sure he was good & warm. I took our little poodle in and she would love on here...and give her special little treats! She just had such a beautiful and loving heart...and ALWAYS had a smile!!! I'll always remember that beautiful smile! I'm so glad I could call her my friend.*

Bob, Bonnie, Mom...my heart goes out to all of you. So sorry for your loss.
