Summit Christian Church since 1944. He was baptized in 1957 and served as a Deacon, Elder, Trustee Board Chairman and Sunday School teacher.

Mike was a 50-year member and past Master of the Sulphur Springs Masonic Lodge F&AM No. 348. He was a member of the Blue River Valley Optimist Club where he served as president many times and served as past president of the Henry County Memorial Park Board of Directors. He loved slow pitch softball, golf and the monthly Euchre Club with his best friends.

“ *My thoughts are with Mike & his family today. I wish I could physically be at the church today, but I need to be at work. So, I'm thinking instead of what might be said today to Debbie. She'll hear a lot of stories about Mike, because he sure knew a lot of people to share stories with. No one loved the Mt. Summit community, Blue River schools, or Mt. Summit Christian Church more than Mike did. He was heavily involved in keeping Henry County a better place. He will really be missed by so many.*

“ *We all get wrapped up in what we are doing in our lives and forget about awesome people like Mike. He helped me in little league and he always seemed to be around when I was down until I left Indiana in 1992. I guess God knew when to intersect Mike into my life. If we could all learn to be more like Mike all of our lives would be so much better. My prayers are with his family and everyone that knew Mike, because if you knew Mike you would be hurt to hear of his passing, but if you can smile he would want you to. Mike was a wonderful man and had a huge heart. I met him while going through chemo and became good friends. He refused to let me feel sorry for myself and always brightened my day. We shared a lot of McDonald's brkfst's together on the way home from Muncie usually his treat he would never let me pay, always the gentleman. He will be missed by everyone he touched. My thoughts and prayers are with his family I'm so sorry for your loss. RIP Mike I will always remember your kindness to me.

I am so sad to hear of Mike's passing. He reached out just recently via telephone message. He happened to see my name on the Mt Summit High School 50 yr Reunion roster that is hanging in the big hall by the Volunteer Fire Station. I was so excited to hear from him, what a wonderful surprise. I did not get to attend the Reunion, but was so happy to be invited. I always felt I belonged to Mt Summit, I hated Muncie Central. I went to Mt Summit school from 1-10th grade and was devastated by having to leave. Mike told me he was trying to contact as many people as he could find from the old Mt Summit group. He was one of a kind. I will never forget him and his big heart. He informed me of his health and said he would probably be the next person to pass away from our class. Debbie, I do not know you, but he sure talked about you from his heart, I know you must be a wonderful person.

“ *In high school I watched him play basketball. I got to know him better as an adult when my husband went to rehab and we wanted to take my husband out that first night. Mike came and talked to us. He said just give it a day or two. What great advise. I knew him in between high school and as an adult but this is just two times. I have always liked Mike RIP*
