“ Where do I begin. Bobbie and my sister, Ann, were friends for many many years and I was jealous of such a closeness they had. I also worked with Bobbie at the Owens Illinois glass factory We worked in prescription products. She was always so funny . I remember one day her cute summer long dress she wore that day got caught in the roller of the chair. We laughed so hard. Her and Ann and the girls let me tag along sometimes. She always had that infectious smile that could reel you right in. Yes she was one of a kind and I will also miss her. she was such a blessing and loved family dearly. God bless her family and keep her memories always close . .prayers and hugs. Sandy

“ *I met and got to know Bobbie when we both worked at General Tire. I'll always remember her smile and outgoing personality, but the greatest memory I will forever remember her for is when she introduced and played Cupid between me and my late wife Ginnie!! My sincere heart felt condolences go to Josh and Scott and the other members of her family! I have previous plans Friday, but I'm hoping to stop by Hontz Hall for awhile??*

“ So brave and full of honor, dear Sister. You have always loved me. From my earliest memories I have always known that. I selfishly grieve the loss of that loving presence. I celebrate that your suffering is forever gone, and, victory is yours sweet Bobbie Cozette.
