“ My boys and I will remember Bonnie is the warm, kindhearted, sweet, and hospitable person she was. She welcomed us to her home, shared food with us, and let the boys play in her pool and backyard. My boys are teenagers now so I can say that Bonnie will forever be a part of their childhood with memories of her and the fun we had while visiting them. Bonnie, we never stopped thinking about you and praying for you. We love you.
To Amy, who connected us with Bonnie and her family, we will always be here for you. The boys and I are praying that you and your family will receive comfort, strength, love and peace.

Thoughts and prayers for your family. Having known Bonnie as a little girl and later as a neighbor she was always such a joy to be around.
