“ *Ann and Brian. My heart is weeping for your loss. I will always remember Bruce as a big man full of life and laughter. My best memory was his 50th birthday party. We had to come dressed as we were in the fifties and since I was born in 1959, I came dressed as a baby. Bruce kept picking me up and trying to burp me. All night long!*
Find comfort in your memories and in knowing that Mom and Dad were there to welcome him to heaven. All my love.

“ *Anna so sorry to hear about Bruce's passing. I only heard a few days ago. Blame it on a faulty cell phone. God be with you and your as you go on without him. I knew he wasn't doing well and had him and Bill in my prayers daily. Also will keep you and your family in prayers. Take care and God Bless.*
