Bryan you were such a wonderful person,full of laughter. We always had good times when ever we got together. Just sometimes we cannot feel love only sadness that takes us to the end.I truly hope that you are at peace now. You and Eric were about the same age that Dona and I were. We dressed you boys up,you were our little dolls. I will never forget you Bryan and know that I really loved you so much.My heart is so heavy burdened that you had to go away. I can say to you that I tried. Love you dearly and miss you. I hope that you have peace, that you never found on this earth. I love you Aunt Mary Duncan

“ Bryan, I had hoped to get in touch with you on one of my yearly trips home to see family and friends. I'm sorry that never happened. Bryan and I were in the same class since our classes combined at Sulpher Springs during our sixth grade year. We were "band kids". Band kids had a special bond as band was our sport and we were in the same classes throughout several of our school years. Bryan, Dixie, Linda, Joni, Kent, Andrea and myself, we all hung out pretty close for several of our teen / school years. I'm sorry to learn of your passing Bryan, I have fond memories of all of the great times we all shared.
