“ I didn't realize about this sad occasion until I looked on-line. I attended the same church with this family, & had the pleasure of knowing this family. i know it's hard to go through this, but with God's help things will be better. I've moved to Florida with my family even though I had no choice. I'm truly sorry about this time in your life. Just remember the good times, & that you'll see him again in Heaven. Also, remember that he isn't suffering any more. May God Bless You Always!

“ Carl was a good man. On several occasions he went out of his way to help our company with opportunities. He had a refreshingly honest personality, which I always enjoyed. I'll bet he was a good husband and father.

“ Daphine, I probably met Carl 20 years ago, and have be involved with various projects that Carl worked on for the past two decades. Most of us in the construction world knew Carl as a great electrician, who was a little rough around the edges. Fortunately, I had the opportunity to know Carl outside of work and learned that he was Christian man with conviction and a heart of gold. Carl would do just about anyting to help someone in need. We have lost a good man, but I know that he is in a better place in heaven with God. May God Bless you and your family in this hard time.
