“ *I remember as kids, her family would come spend vacations in Arkansas, and come to our house (2 bedroom) on the dairy farm! Carole, Joyce, me (Lynda) and Ramona would sleep on a quilt in the living room floor! We would run through the fields, catch crawdads in the stream, and ladybugs at dark. My family absolutely loved the relatives coming from Indiana! Those were the good old days! I've loved seeing Carole at the family reunions and she will be so missed!*

“ As I read these memories, I realize Carole (with an “e”) was loved by many people, because if she knew you; she loved  you. And when she found out you liked something, she would go out & buy it for you. A special lady, & example for me of what a Christian should look like.  Love you Carole. Will miss you.

“ Aunt Carole, was always worried about me and my health and marriage. She prayed for me daily. Over the last several years we started getting closer as we would all be at mom's,(Joyce) house playing games and having dinner. We spent the holidays together. We even became Prayer Partners, where we would call upon each other and pray. I'm going to really miss her. I love you Aunt Carole.
