“ *Was so sad to hear of Carroll Irvine passing. He was such a nice man. I do remember when he had the music store up town and my dad always enjoyed going up to the store and they would talk about music and guitars. Even after my dad passed away Carroll would always come in the office here and talk about the great times he had visiting with my dad. I'm Sorry to the family for your loss and he will be missed.*

“ *Carroll was the best father in law I could have ever asked for. He welcomed me into his family with a smile and unconditional love. My fondest memory is going through hundreds of albums with him out in the barn and listening to stories of how and where he found his treasures. I will miss him and that wonderful smile.*
