“ It was my honor and privilege to meet Brother Hinshaw. I cherish a little hand-carved wood replica of the old "Hit & Miss" Farm engine. I have that prized little engine displayed in my office in a prominent place! His sweet spirit and support to me in the times I was privileged to preach to him were a blessing to me! I've been blessed by knowing Bro. Hinshaw! My Prayers are with the family and his church family!

“ Rod and Paul - Aunt Vera and I offer our deepest sympathy and our prayers that He may comfort you during this time of grief. We know that your Dad yearned to reach out and touch the Face of Christ and as He promised, said, "Welcome home my good and faithful servant! You have served my people with great renown!" And for Cecil - I was honored that you were my brother and mentor. Thank you for your brave service to this nation which you served proudly and honorably. I'll be with you as the clarion notes of "Taps" echo across the rolling plains of Indiana. We'll stand in formation at that final call of Gabriel's trumpet one glorious morn!

“ Rod and Paul - Carol and I went to see Uncle Cecil on July 16th. He was his humorous self, in bright spirits and still teasing us. When I told him goodbye I said to him that if I didn't see him again on this side, I would see him over there. His response was "well that's where I've been working my whole life to get to" and he smiled. We had a nurse take our picture with him and it is good. I am praying for you.

“ We want to extend our sympathy & prayers to our dear brother's family at this time of his passing. We know this was his coronation time & what he has spent his life for. He was a precious little man. Though we only knew him for these past few years, it didn't take long for him to become very special to us. May God bless & comfort each one especially at this time.
