“ *I was very saddened to learn of the passing of Chris. I regret that I am unable to attend the memorial service. My thoughts and prayers are with her family. Chris loved her family and was diligent in helping others. I have fond memories of traveling with her to her Kentucky home, with her beloved cats in tow. She loved her pets. This was a Thanksgiving weekend and we attended a Christmas Craft Show where she introduced me to acquaintances and shared her concerns for the many people in need. I purchased some handmade Christmas decorations and have displayed them on our Christmas tree each year since. I will continue to do so and will keep her family in my prayers at this difficult time.*
