“ Uncle Chris, I had just found you after all these years after daddy passed away. We I didn't realize how short our time would be together. I had hoped to hang out and talk about our family and all the memories..

I still remember and always will remember after daddy passed away, picking up my friends mom from work and you worked with her and I asked if you would by me chocolate chip cookie dough to make later. And we followed you to Harvest Market and you bought me that chocolate chip cookie dough. And I enjoyed the few moments we did have before you left this world and rejoined our family!! Now your with your wife and Justin, your mom and dad, my daddy, Brandi, Aunt Robin and Uncle JR. Let them know I love and Miss them!!

I love you Uncle Chris!!
