“ I've always felt that Chris had a poetic nature, even when he was a child, very empathetic and kind. As a co-worker of his mother, I babysat for the kids a few times, and my favorite memory of Chris when he was about 8 years old is when I tucked him into bed, he said "Well.....you can kiss me goodnight if you want to". And I wanted to! A fine young man, much too young to leave us.
