“ I recall Cynthia as that little girl (9-10 years old) that would get excited when any of us "teens" showed up at her mother's home to gather and go play basketball or whatever with her older brothers-esp. Mike. She always had a smile and never acted as if we "the teens" were interrupting their family life. She will always hold a special place in our hearts and many memories we have! Our thoughts & prayers are with her family now - as Cynthia is just waiting for the rest of us to cross over & I bet that little girl with the big smile will welcome us once again! - Curt & Robin Simpson.
