“ *RIP David. My friend and my cousin. I will miss all your post on the basketball. My dad loved college basketball and you so reminded me of him with your post. May the lord welcome you and may the lord give peace to Uncle Bud and Aunt Janice. The earth is missing an angel but heaven was blessed with one. I love you all family.*

“ I remember the kindness Big Dave showed my Granddaughter Taylor when she was about 5 or so
She had spilled scalding pudding on her leg and had to be taken to the ER.
Her Mom worked in housekeeping there and had to be called downstairs so Taylor could be treated.
Big Dave who worked there with my daughter heard about it and came down to see how Taylor was.
He brought her stickers to keep her busy why the Dr did what they needed to do.
He even sent her a card a few days later.
Dave was an Awsome guy like that.
I was very sad to learn of his passing.
I will keep his Family in my Thoughts and Prayers.

I did not know David personally but I know his parents. After reading so many of these beautiful comments about David I know what a wonderful person he was to many and how he impacted so many people's lives. David received his beautiful personality from his loving parents who are two of the nicest people I know. It is never easy to lose a child and none of us expect to lose ours before we go. But we can rest in the reassurance that someday we will be reunited in our heavenly home. My heart and prayers go out to his family. Rest in peace David.

“ *Bud and Janice,*
I am so sorry for your loss. David and I had lots of good times in high school, we went to prom together twice. Mainly we liked to joke around and talk. Lately we had texted a lot and talked basketball because he thought it was so cool that my husband's uncle raised Memphis Grizzlies Desmond Bane. And David have followed Des since his days at Seton Catholic in Richmond. Dave even tried to con me into getting Des to autograph his program from the Blue River Game at his Grandma's funeral. LOL...only Dave! Cherish all your great memories! Praying for you 🙏 Pam (Conley) Bane

“ *David rode to school with me in a truck with holes in the floorboard. He complained about the cold but got in each morning! He was my friend, my confidant, my critic. I appreciated his friendship.*
