“ Right after Pam and Delbert got married, I went to their apartment (I don't know if I'm remembering this exactly right but you will get the gist of it) Pam was fixing supper and I was going to make cornbread. I don't remember if this was my first time making it or what, but I made it or attempted. Once it got done it fell apart and was the nastiest tasting stuff ever was. Delbert laughed and never let me live that down. But I can make some good cornbread now. He haunted me while he was living, I wonder what he will do now. Gotta love him and oh I did
