“ So many memories of Dee since her daughter Pat, has been my best friend since we were 10 years old. I was frequent guest at the Anderson home so always felt like part of the family. I also had the opportunity to work her at Eastwood school for a year and got to know her even better during that time. She was lovely person with a wonderful spirit full of love and joy. She loved God, her children, and others immensely and lived her life with those principles and in the end, that is all the matters. Have a beautiful life in Heaven Dee and blessings to the whole Anderson family during this time, knowing your Mom is at peace now.
