“ One of my first memories as a child is being at Dee and Charley's home with my parents. As I was growing up they were always a part of our lives. I remember her heart surgery when it was not a common thing. I remember visiting the cow barn and watching them being milked. Greg, I remember mom babysitting for you. The Bensons will always have a special place in my memories. Love to all of you. Jennifer Mogle Kinser.
