“ *In the autumn of 1963; first grade at Spiceland Elementary I had no idea I had met my lifetime friend (Sister). No matter whether we agreed, disagreed, or had to have a sit-down and debate :) It was a gift - and when you came to Las Vegas and stayed with me it just solidified our bond with each other. I can only assume that heaven had an immediate opening for another angel - that's the only sense I can make of this.*

I think even God can make a mistake - it really should have been me and going on without you just leaves me empty.

All my love, respect (and also to your family).
