“ Ellen was a special friend. I remember her love for her family. She would do anything for anyone. I am missing her. Very hard. I remember all the food she would bring to share with everyone at work. She would always take time to talk to me. Invited me to her home. Very special...full of love and caring for her family and friends and church family. We all know she is in heaven with our Lord...where there is no sickness..no tears. Prayers are with all of you left to carry on. May the God of all comfort surround you with His love, mercy, grace, and peace.
