“ We loved Ellis Watson and his family. He was always such a kind, gentle, loving, sweet spirited Christian example. When we were in Indiana, a few years ago and visited with him again, found him to be that same special man. We not only loved Ellis, but his wife Sue and there are three wonderful sons. We will always treasure the memories of our times together in Muncie. Know he will be greatly missed, But another saint has made it home to heaven. So sorry for your loss of your dad, Wade & fam, Terry & fam, and Randy & fam. May the God of all comfort be near and dear to each of you in the passing of your Dad, and Grandpa. You all are in our prayers !!

“ I remember the summer Linda and I found a big ole snapping turtle. We took it to the parsonage. Bro Watson came out and laughed with us as we played with this turtle. We loved him dearly. He always made us feel welcome. Was such a Godly man. Love this family.
