

Enoch Michael Luke

June 10, 2002 - February 13, 2018

Enoch Michael Luke, age 15, of Yorktown, IN, returned with honor to his heavenly home on Tuesday, February 13, 2018 at Riley Children's Hospital.

He was born on June 10, 2002 in Austin, TX, son of Christopher Layne and Julianna (Schick) Luke.

Enoch was a wonderful, energetic, engaging young man. He loved to express himself through music and art and could often be found perfecting a new song, learning another instrument, or painting a picture. He also enjoyed a variety of physical activities including skateboarding, weightlifting, and running. In his free time, Enoch liked to watch TV with family members, read fantasy and science fiction, or play video games with friends online. He loved to go to the theater, especially to see Marvel, DC, and Star Wars movies. Over the past years, Enoch developed a keen interest in cooking and learned how to make a number of unique dishes. His favorite dish was sushi and he became quite skilled with his sushi creations. Oftentimes, at the dinner table Enoch would wage a battle of wits with family members about the existence of parallel universes, which superheroes are worthy to lift Thor's hammer, what wind velocity his hairstyle could withstand, and whether bagels are bread.

Enoch was kind and generous and he cared deeply for his family and friends. He was courageous in standing for his values and morals even when it was

difficult to do so. Enoch was thoughtful in his interactions with others and often volunteered his time and talents at school, at church, and with his youth group. He strived for excellence in his academics, his music and art, and everything else he did. He was loved deeply by family and friends.

Enoch is survived by his loving parents Christopher and Julianna Luke; five siblings, Kailey, Tenney, Ellie, Keira, and Kathryn; paternal grandparents, Layne and Judy Luke; maternal grandmother, Gloria Schick and numerous aunts, uncles, cousins, and extended family. Enoch was preceded in death by his maternal grandfather, Carl Schick.

In lieu of flowers, the family has requested that memorial contributions be made to Riley Children's Foundation (<http://rileykids.org>), the Ronald McDonald House Charities of Indiana (<https://www.rmhc.org>), or the LDS Missionary Fund (<https://www.ldsphilanthropies.org/missionary>).

Friends may call from 10:00 am – 12:30 pm on Saturday, February 17, 2018 at The Church of Jesus Christ of Latter-day Saints, 4800 W. Robinwood Drive, Muncie, Indiana 47304. The funeral service will follow at 1:00 pm.

Enoch will be laid to rest next to his grandfather, Carl Schick, in Spokane, Washington.

You may the send the family a personal condolence at www.sprolesfamilycare.com

“ Enoch was my best friend from 4th to 6th grade. I wasn't able to go to his funeral, and by the time he passed we hadn't spoken in years. I'll always remember him fondly as my first friend, he got me into his favorite series, a graphic novel version of *Maximum Ride*. We would keep watch for when the new books released and beg the librarian to order them for us. I sped through the graphic novels and picked up the actual novels, which I then convinced him to read. We would draw together too sometimes, anime, armor, classmates. I still keep a valentine he gave me in 6th grade before we drafted apart, he told me he liked my middle name. I wish I could remember in more detail the two years we spent being close to each other, I treasure the memories I have with him, and I mourn the fact that we can never catch up after all those years.

“ *Words don't often fail me, but I cannot adequately express the profundity at my sorrow that the world will no longer be able to benefit from Enoch's unique, beautiful spirit or my deep hope that his passing will forever strengthen those who were so lucky to know him, even, like me, for a short time.*

“ During my first year in Burriss, I first met Enoch during my first day in chemistry class. He was one of my group mates there. At the time, I didn't have many friends back then and he was the one of my first few friends there. During class, we would talk about movies, anime, sports and religion. He was a very sweet guy and also pretty whimsical. It was after fall break that Enoch left the school. Now we were left with two people in my group, CJ and I. After Enoch left, we would talk about how we missed Enoch's warm and silly presence. Overall, he was a very smart guy who had a lot of friends with him whom he brought the daylight into. I will never forget the first few months knowing him and being with him. May God bless your soul and may you find eternal rest with Him. You will always be in our prayers.

“ First I just want to let the wonderful Luke family know that I’m truly sorry for their lost of an amazing son and brother who always brought joy to many people and always made people laugh and made their day! Just know that me and my family are praying that you guys will be alright! When I heard the news, I was truly in shock and I didn’t know what to do but to shed tears and to be heartbroken. Some things I remembered most about Enoch was that in English and Lunch, he would always be so energetic and always had funny things to talk about and was always kind to others. He was so sweet to me and I loved that I could call him one of my greatest friend. He was very smart and I always thought that he was a genius in many things. The sad thing is that one of my best friend invited me and a friend to her church months ago and we had seen Enoch and we told him hi and NEVER in a million years did I think that was going to be our last time seeing him in person :(Im really going to miss you Enoch and I’m glad that I got to meet you at Burris! One of the things that I wished most, was that when I had seen him last, that I would’ve talked to him more than just saying hello. I’m sorry Enoch for anything you went through and that you will be greatly missed! God bless The Luke Family! ❤️❤️🙏 - Trinady Poole

“ During my first few weeks at Burris, I didn’t have many friends. Enoch was the first to make sure I had a table to sit at during lunch and wasn’t alone during projects. He was a kind, funny boy. He will be dearly missed.

“ Out of all the young women I had with me while I was a youth leader, Enoch (a young man) was always the one who wanted to hold and play with my babies. He was soo good with them!

“ Such a nice tribute to a smart, witty, talented young man. We will treasure our memories of him, especially of his friendship with our son - playing Nerf, freestyling on our piano, and some hilarious carpools from track practice. Wishing your family peace and comfort from all your wonderful memories. Love to you all!
