“ Out of all my uncles Jack was my favorite. Over the last year's anytime he had Dr app out of town I was his driver. He always made me laugh. He was I ok vedette by so many. Thankful that mom and I got to visit and pray with him several weeks ago and he left a testimony that he loved the Lord and was ready to go. Holding Jack's service is an honor but going to be so hard. He truly was a man who lived his life just as he was. Never put on a show for anyone. He was himself if people liked it or not. Rest in peace Jack you are free now. You will definitely always be remembered and loved
