“ I have this feeling there's one more star up in the sky tonight. My Aunt Faye Wiggington has passed away. She was my mother's sister and my mother cared for her deeply as the rest of our family did. She lived in Indiana and made a lot of trips back to Kentucky to see the family she loved. She would take you home with here for a vacation if you wanted to go. I can still remember when I was a kid, she took my mom and us kids home with her for a week. We had never been to a zoo or to a swimming pool, but she took us and gosh did we have a good time. Don't know if she ever knew just how much this meant to us little poor kids. Hope to meet her in heaven some day.
