“ Dear Ones,
Seems like you've been on a very long journey in a short amount of time. So much has happened, so much has changed. Yet God is with you still..
Little Finnley is in the presence of the One Whom you can sense & feel upholding you & nudging you on...
It was an honor to share in the sacred moments we experienced together. May God so guide, that as we've grieved together here, we may all rejoice together over there.
Lovingly,
Gretchen, David, Katelyn & Sophia

“ It is never easy to accept the news of a baby that is just born with severe defects. I remember how it felt when our little son was born. I am praying God give you peace and comfort at this time and the days ahead. May God bless you richly.
