“ Greg will be missed by many. He was the kind of guy who would come flying on his scooter in the pouring rain, in the middle of the night, to protect a friend from harm. Kylie, you are in our thoughts.

“ In this world it is increasingly rare that we find a person who always has a smile and kind word when they see you, who is compassionate with such a zest for life. Because of these qualities in Gregory we have been enriched by the difference he has made, not just in our lives, but in all the life's he has touched. Our prayers are with your family!
