“ Mrs. Wirth worked with my great uncle Will McKown for many years, so I have known who she was from a very young age. In grade school, I spent quite a bit of time at (possibly) aggravating her as one of Barbara's friends. She was always very kind and welcoming. I also remember being passed as we walked around the fieldhouse track, as she always walked faster than me. She was a wonderful woman and I am glad I knew her.

“ *Ima was an inspiration to all of us! Her generous heart and spirit and her productive life showed us all how to live a valiant life. She left her positive imprint on all of our lives and her community. We are thankful to have lived among such an honorable lady. I hope we all honor Ima in giving our time, talent and treasure as she did.*

May God comfort her family, friends and community through his love and peace.
