

Jacinda LuRhe (Edwards) Stetler

November 24, 1990 - November 22, 2019

Jacinda LuRhe (Edwards) Stetler, 28, of Hobe Sound, Florida, went to sleep and was awakened in Heaven on the morning of Friday, November 22, 2019, following injuries sustained in an automobile accident.

She was born on November 24, 1990 in Winchester, Indiana, the daughter of Jonathan and LuRhe (Walden) Edwards.

Jacinda graduated with honors from Winchester High School in 2009. She graduated magna cum laude from Ball State University in 2013 with a Bachelor's Degree in Elementary Education with an add-on license in Math and Science. True to Jacinda's adventurous nature and perseverance, she chose as her first teaching assignment to "minister" in an Inner-City School in Indianapolis from 2013 - 2015. Even though it was difficult, she learned so much and her students adored her. In the spring of 2015, she received a call to come back to the very school she had attended in elementary - this was always a dream of hers to teach in her "own" school. Jacinda loved teaching at Deerfield from 2015 - 2018 and once again was loved by her students. She was currently pursuing her Master's Degree in Education and served as the Registrar at Hobe Sound Bible College.

Jacinda had the wedding of her dreams on September 1, 2018 in Indianapolis when she married Paul Stetler. For a year and three months, she and Paul

lived Heaven on earth together. Jacinda was cheerful and gentle, she laughed easily and loved deeply. She was loved by all and touched many lives. She loved Jesus unreservedly and her husband with transparent devotion.

She enjoyed traveling and singing with her husband, cooking, organizing, investing in friends, and helping others.

Those left to cherish Jacinda's memory include her loving husband, Paul Stetler II; her parents, Jonathan and LuRhe Edwards of Ridgeville, IN; three brothers, Jesse (Arii) Edwards of Saratoga, IN, Jamin (Heidi) Edwards of Westfield, IN and Joel Edwards of Ridgeville, IN; her grandparents, Rachel Edwards Peters of Ridgeville, IN and Don and Fayerene Walden of Franklin, IN; her father and mother-in-law, Daniel and Joan Stetler of Hobe Sound, FL; her sisters-in-law, Aimee (Chad) Snyder of Loveland, OH, Elisa (Mark) Calderon of Hobe Sound, FL, Julia (Tim) Cole of Anderson, IN, and Sarah Stetler of Hobe Sound, FL; nieces and nephews, Mateo Edwards, Jessie and Haylie Snyder, Clarke and Clay Calderon, and soon to be born, Catherine Jacinda Calderon, named after her beloved aunt, and Maxwell Cole, and a host of loving aunts, uncles, cousins, and friends.

Waiting to warmly welcome her to Heaven was her grandfather, Wilfred Edwards.

Funeral services will be held at 7:00 pm Wednesday, November 27, 2019 at Hobe Church Bible Church, 11295 SE Gomez Ave. Hobe Sound, Florida, with Pastor Matthew Ellison and Dr. Daniel Stetler officiating. The service will be live-streamed at www.hobesoundbiblechurch.com.

“ Dear Jacinda ! You always will be so dear to us . This morning Josiah and I were talking about his favorite teacher-You. (“ she always has been , mom!” he said) you made math and science fun with games . Josiah got to be an Indian in the French and Indian War (trading was acted out with pictures of guns and furs , etc. “ we couldn’t bring muskets to school ,mom”) At the end of the year she had studied her kids so well , she had a positive attribute of theirs to share . Something she saw unique to them that made them special . At one point each student picked a region of the USA to study and give a report about . Josiah picked Yellowstone National Park . Jacinda helped him show Old Faithful on livestream for the other students . He had to pick an animal that lived in the region . He picked the pika. He was enthused because he found out Pokémon was inspired by this animal that was related to the rabbit . It’s favorite snack was bird brains (he remembers all of this three years later!) Learning has not come easy to Josiah , we found out early that he struggles with reading , writing his thoughts down , etc. But he thrived in your class , Cinda ! You were born three months after my mom went to heaven . She was so so happy to know you were coming . I watched you grow . I watched your strength and will become pliable in God’s hands . You were mentoring Emily . She hopes to follow your example and work at the same graphic design store next semester . You helped her connect with them recently . Always happy to help . You also encouraged me as a mother . Dear Jacinda , I don’t understand why , but I know my hope in Jesus remains and I look forward to reunion day . All my love , your big cousin , Becca.

“ Such a heart felt loss of a member of our extended & ever growing, family of GOD. We mourn selfishly, knowing she is where we want to be, in the presence of our Lord and Saviour JESUS CHRIST. We mourn because we are at a loss but she has gained eternity. To the Stetler family, the Edwards family and the Walden family, the Love of Christ is with you... we love you - Mikki and Doug O'Brien.

“ I used to work with Jacinda when we waitressed together and I couldn't wait to see her every day. Her smile, her joyful attitude, her bubbly spirit was always so contagious. I loved every moment I had when I was with her. I still remember her telling me about her (future husband) when she met him. There was such a light in her eyes when she talked and giggled and I could see so much deep joy in her when she spoke of him. I still think of that day, haha. I could tell there was something extra special about this guy. <3 My goodness...she was a beautiful woman and I will dearly miss her, as will many, many people. Your family and friends are in my prayers. <3 I am truly and deeply sorry for such a loss. :(

“ Dearest Family,

I am at a loss to express my HEARTFELT sympathy, but it comes with deep love and prayer. I so much wish I could be with you to support you!

I treasure my few years of friendship with Jacinda. I will always remember that special revival here in Colorado Springs when Bro. Edwards was the evangelist and your family sang. Another treasured memory is when we met downtown at La Baguette when she (and Paul) were at the time of our tent meeting. It was special to see her again this summer when she and Paul came to represent the school in Hobe Sound. I treasure the last times we messaged one another and I asked her to send my love to you, LuRhe.

Oh, we have lost a treasured friend!

“ I shared something on Facebook but I do want to say on here to the family how my heart aches for you. The first time I saw Jacinda was probably when I was traveling with a group for the college. I remember this sweet young girl helping her Mother serve us. The thought of losing that only daughter is heart wrenching . God only knows. The first time I heard Jacinda sing with Paul in public was in my friend Gina's church in Ohio where Dwane Newton is the pastor.. It was a small crowd but she was nervous because it indeed was the first time. I was proud of her. It was delightful to share in their new love and see the joy on their faces. This is a horribly hard time. The only comfort is knowing where she is and that we will see her again. I love all of you in both families.

Jackie Foley - November 26, 2019 at 11:38 AM

I share that memory with you of Jacinda in her home as well. I remember thinking how graceful she was as a hostess-beyond her years. Any time I connected with her through the years, she always shared a smile and kind word. My deepest sympathy goes out to the Stetlers and Edwards families.

“ Jonathan and LuRhe (Jesse, Jamin, and Joel)...words can't express my deepest sorrow for you right now. We've ministered together for nearly seventeen years and never imagined something of this magnitude occurring during this time together. Jacinda was like the little sister I never had. I'm thankful I had the privilege of serving as her associate pastor all of those years and being a part of your family. She impacted so many lives and I see the results of that impact every day at work when I see her former students coming through the doors. I can only imagine what it must have been like to wake up in the presence of Jesus. Yes, she is gone, but she will always live on in our hearts.

Paul...we've been friends for over twenty years, went through college together, and have shared many laughs. I want to let you know that you were the joy of Jacinda's life. She loved and adored you. Prior to your marriage, we would talk about you and her face would light up and she would share your most recent flowers from All About Flowers. I couldn't believe my college friend was about to marry someone who was like a member of my family. I know you're hurting but I can envision her new home being decorated to perfection while she awaits your arrival.

“ Meeting Jacinda and spending time with her, I learned why Paul fell head over heels in love with her. She was truly a gift from God. So sweet and giving with a smile so big she warmed your heart . She will always hold a special place in my heart. And when I found out she was born on my husbands birthday I understood even more why Paul fell in love with her. She was a special person with a big heart. The world lost a beautiful woman but heaven has gained a perfect angel. RIP Jacinda .. watch over your husband from above!

I know this family is heartbroken, words fail me as I ponder the pain they all must be feeling. I especially feel deep sorrow for Fayerene Walden, Jacinda's maternal grandmother. I too have granddaughters and the love is deep and forever lasting between each of them. My heart is broken and heavy for her that she will heal in the coming days and beyond so that the many precious memories of her beautiful granddaughter will fill her heart and give her the strength to go through this sad time. I know her deep faith in God will give her what she needs to carry this heavy burden in these dark days.

Condolences to her dear mother LuRhe and her entire family ❤️🙏
