“ Jack and I went to school together at SSHS and graduated in the Class of 1961. I will always remember Jack as "one of the good guys" who, likewise, grew into a good man. In school Jack was always fun-loving and at the same time kind, thoughtful and helpful. Jack was so deserving of a good and loving wife and nice children. He had both in Sally, Chris and Beth. While Jack may not have had the quantity of life we would have wanted, it is comforting to know that he had quality years of retirement enjoying family, friends and his hobbies. May God continue to comfort each of you in the days and years ahead. Melanie K. Razor

“ My Condolence to Jackie's family. I was in Jackie's graduating class of 1961 at Sulphur Springs. We ran around together when we were teenagers. He had a 1950 or 51 Ford and he used to pick me up at the farm and we would "cruise" the local drive-ins. I remember him as an enthusiastic, kind hearted person. I know he will be greatly missed.
