“ For Jama's Family,
I cannot begin to tell you how sorry I am for your loss. Jama was such sweet and caring person. Please know you are in my thoughts and prayers.

For Jama,

We were friends from first grade on...I remember recesses at Hernly with you, Becky and I, and we had such fun times....Science class in 7th Grade was fun too, although neither of us really wanted to be there and the high school too....PE class wouldn't have been the same without you in it. Good friends,good times. But most of all, I remember your beautiful, contagious smile. You've touched my life forever and you'll never be forgotten. I love you dear friend. May you rest in peace...and someday, we'll laugh together in Heaven.

“ I have lived across the street from Jama for 11 years. I cannot say enough nice things. She always had a smile and a wave no matter what. Her love for people and animals was like an angel here on earth. Thoughts and prayers for all.

“ *Jama, if I had to pick my favorite memory of you I don't think I could do it. All of my memories of growing up together are cherished and stored now in my heart. I have heard the phrase when someone dies "God needs an angel". Never did care for that for some reason but Jama honey in your case it is so true, God could not have picked a better Angel than you. I will forever believe you are taking care of some of Heaven's animals. I love you with all the love I have to give. LeAndra*
