“ My wife and I were "up-the-road neighbors" of Jan and Carolyn starting in 1994. We didn't know them real well, but we did know them as neighbors and would occasionally help each other out as needed. It was always a pleasure to talk to Jan and we've missed him since he had to move away. While I'm sorry to see he's gone, I'm glad to have known him. Todd Townley
