“ *I worked with Jan for many years at Ameriana and was proud to work for him. He taught me alot when I started working in the Loan Department. He was not only a wonderful boss but a great friend who will be sadly missed by all! Ann may God give you and your family strength during this difficult time. I know it will be hard as I know how much Jan loved you and cared for you, he always had a smile on his face when he would talk to me about how great you were. My heart is aching for all of you!*
