“ Janet’s greatest joy was being a mother and grandmother. I loved listening to Janet talk about Abby, Mic, Andrew, Brittany, Asher and Archer. Janet’s voice was so happy when she would share memories with me about her family because she was so proud. Janet loved her family deeply and unconditionally. We love all of you more than words can ever express too! You are all in our thoughts and prayers. It brings us comfort knowing that Asher and Janet are together now in Heaven in the presence of our Lord and Savior. God bless you all! † Love, Michelle Resurreccion and family

“ I am going to greatly miss Janet’s comforting voice, her lovely smile and her sweet, sweet spirit. Janet was a beautiful person on the inside and out. I loved all of the talks and texts that we shared with each other. I always enjoyed hearing her share with me how excited she was to be a grandma to Asher and Archer and how much she loved and adored them. I also enjoyed her telling me all about her fun performances with the country line dance group that she was a part of, about all of the cute things she would find at great deals at various stores, about the crafts and artwork that she loved to make, and about the Crocs and jibbitz charms that she had fun collecting. My family and I are going to miss Janet tremendously. Janet would tell me that Asher was her angel and now Janet is our angel too. We love you, Janet, more than words can ever say! May you rest in peace in the arms of Jesus. Love, Michelle Resurreccion & family

“ *My Mother In Law was welcoming from the day I met her. One of my favorite memories of us was riding in the boat and her singing the song Pontoon and when she came up from Kentucky for my baby shower. We will always miss you <3*
