“ So shocked and saddened by the loss of my dear sweet friend Janice. We worked side by side for almost 20 years. I will always cherish the friendship we had. She was my best friend. We had a lot of good times together and shared a lot of laughs! She was always there for me through thick and thin. A very caring person she was and I will never forget her . So thankful I got to see her for just a short time before she passed to tell her that I loved her and will always cherish her ! She was like family to me. Gone but never forgotten ! Your dear friend, Connie
