“ I just wanted to say how very sorry I am for your family. I have been friends with all of your boys since we were just children. I won't even try to imagine how you are all feeling right now because to be honest, I know what it's like to lose someone but not a child. I wanted to let you know that Jason was a very good person. He was always kind and funny and was always the perfect gentleman. I'm sure he will be very missed by many. Including me. Your whole family will be included in my special prayers. God Bless
