“ *Becca and the whole Miley family,*
I am so deeply sorry for your loss. I cannot imagine what you have gone through. Jason was truly an inspiration, he fought so hard and was so brave. The love he shared with his family must have been so very great and precious for him to hold on for as long as he did. I trust Jason is in the arms of our Lord, free from pain. I know it must have been so difficult to have to let him go but he will always be here in your hearts forever.
You are all in my prayers, Elizabeth West

“ Becca, I'm so sorry about your loss. I just learned of your story on Monday at the ALS support group meeting. My husband, Randy Bergs, shares Jason's fate. Even though we've never met, I want you to know that you and your babies are in our prayers and am ready to help however I can. Let those who love the Lord help you. My best, Becki

“ Dear Becca, We love you and are praying for your entire family. We so enjoyed meeting Jason. The thing I remember most are his eyes and his smile. These will live on in William as well. May the Lord comfort and give you strength. May His grace be sufficient. Love you so much!
